

CPS Docket Response to Weather Related Delays or Cancellations:

- A. The Travis County CPS dockets will follow AISD's delays and closures.
- B. If AISD is cancelled the CPS docket is cancelled and we will hold a dual docket on the next scheduled CPS court day.
- C. If school is delayed we will begin hearing the cases within the first hour of the docket in which Court begins (for example, if we start at 10 we will be hearing the 10:30 hearing first and the docket proceeds in order). In that event, we will be moving the 8:30 and 9:30 docket to the next scheduled CPS court day at 8:30 and 9:30 resulting in those times slots having a double docket.
- D. If school is delayed until noon, we will begin with the 1:00 docket and cases thereafter. The morning docket will move to the next scheduled CPS court day at 8:30, 9:30 and 10:30 resulting in those times slots having a double docket.
- E. If Travis County Government Offices (i.e. Courthouse) are closed and AISD is not, we will begin no sooner than the courthouse opens and follow the above emergency schedule for reset of cases.
